Related Preparation and Travel Time

- All labor related services are billed to include actual Portal- to-Portal travel time from BioMax's nearest field offices with all associated travel fees. Travel time to and from client's requested site will be charged at regular legal hourly rates, for actual time involved during travel. Automobile use charges will be billed at \$ 0.65 per mile. Tolls and parking fees will be billed at cost.
- Fees associated with legal consultative services, deposition, and/or trial related services shall be paid in advance (or through pre-paid retainer) in accordance with the rates noted above. A prepaid payment shall be made to BioMax with a minimum of 4 hours per project and/or requested appearance with a maximum total of 8 hours per day unless otherwise pre-arranged. All fees associated with legal consultative services and/or deposition, interrogative preparation, and expert trial services shall be paid in advance in accordance.
- Invoices related to other legal consultative services are payable upon receipt and determined delinquent after 30 days. A finance charge in accordance with the limits set forth within California State law may be charged on all past due accounts. All professional rates provided herein are based on BioMax's Time and Materials (T&M) pricing structure. BioMax is also happy to offer our clients Fixed Fee for Service pricing upon request
