- All labor related services are billed to include actual Portal- to-Portal travel time from BioMax's Monterey offices with all associated travel fees. Travel time and expenses to and from client's requested site will be charged at legal hourly rates, for actual time involved during travel. Automobile use charges will be billed at \$ 0.60 per mile with all additional travel related expenses to be billed at cost. Project administrative fees also to be charged as necessary.
- Fees associated with legal consultative services, deposition, and/or trial related services shall be paid in advance (or through pre-paid retainer) in accordance with the rates noted above. Alternatively, a prepaid payment shall be made to BioMax with a minimum of 4 hours per project and/or requested appearance with a maximum of 8 hours per day unless otherwise pre-arranged. All fees associated with legal consultative services and/or deposition, interrogative preparation, and legal expert services shall be paid in advance in accordance with these terms unless otherwise pre-arranged.
- Invoices related to all other legal consultative services are payable upon receipt. A finance charge in accordance with the limits set forth within California State law may be charged on past due accounts. All Professional rates provided herein are based on BioMax's Time and Materials (T&M) pricing structure. BioMax may also offer Fixed Fee for Service pricing upon request.
